Midterm Examination
October 18, 2024
Time Limit: 50 minutes

Print your name and NetID below.

Name:_____ **NetID**:_____

- Including this cover page, this exam booklet contains 8 pages. Check if you have missing pages.
- The exam is closed book and closed notes. No calculators or other electronic devices are permitted. Any form of cheating on the examination will result in a zero grade.
  - You are allowed to use a single 8.5x11in handwritten (by your own hand) *cheat sheet*
  - Photocopied cheat sheets of any kind are not allowed.
- Please write your solutions in the space provided on the exam. You may use the blank areas and backs of the exam pages for scratch work.
- The teaching staff will scan the tests for grading; please make dark markings that are legible on the scans.
- Please make your answers clear and succinct; you will lose credit for verbose, convoluted, or confusing answers. Simplicity does count!
- Plan your time accordingly. You should look through the entire exam before getting started, to plan your strategy.

Problem	1	2	3	4	Total
Points	25	25	30	20	100
Score
